

The 31st annual Kids First Coupon Book campaign to benefit Hamilton County Schools will be held September 7 through 21.

The \$10 booklet contains nearly 200 offers for discounts and free items from local restaurants, retailers, attractions, and service providers. Because the program is administered in-house, all of the proceeds stay in Hamilton County for the benefit of local schools. The schools keep 70% of their sales, as compared to the average of 25%-30% from fundraisers operated by for-profit companies. Each school chooses how it will spend the money raised. For example, one school may use the proceeds to fund technology upgrades, while another may buy new science equipment, library books or classroom supplies. The remaining \$3 covers program costs and funds other programs that benefit the schools.

If you would like to help an elementary school by purchasing books either to give or re-sell to your employees or clients, please fill out the bottom section of this page and return it by US mail, fax, or email. The books are packaged in boxes of 50 for \$500. They will be delivered to you from the designated school, and you will pay the school directly.

I would like to purchase \_\_\_\_ box(es) of coupon books from \_\_\_\_\_ Elementary School / Academy. (If no school is designated, a low-income elementary school will be selected to benefit from your purchase.)
